Did I misinterpret this chain of emails? I thought you wanted to discuss disclosure and re visiting broker dealer options. If not I don't think we need to have the board meeting Wednesday.

Michael, As we have said over the last few months an application to FINRA is not tenable given that we have not been able provide disclosure regarding the beneficial owners of SportBLX , namely Cypress. As you know we have pivoted to a technology model, which we can effectuate without such disclosure. If you are suggesting now that you are willing to make the required disclosures, I will gladly put it on the agenda for the next board meeting. Joe will coordinate the schedule for the next board meeting George
